JOB FAIR

The museum had a table at the recent Job Fair held at the FCI gym. The student had hands on experience & were quite enthralled with the early 1900's typewriter, the morse code equipment, the portable linesman telephone and the crank adding machine. Once they heard the stories how these related to our modern day computers & cell phones, not one

wanted to go back to the day where you climbed the telephone pole to hook up wires in order to make a telephone call. Can't say I blame them.

The contest of guessing what the portable linesman phone was & how it was used was won by Anthony Dumas. He will receive a Museum T-shirt.

We also had several students express an interest in working at the museum over the summer and we will be in contact with them shortly.

TOURS

MaryAnn & Barb had the pleasure of meeting up with four teachers from FCI for a private tour of the museum. It was certainly great to have their company for over two hours.

Remember you can also book a tour – you won't be disappointed.

SUMMER EMPLOYMENT OPPORTUNITY

The Museum is looking for a responsible person to take on the position of **MUSEUM ASSISTANT** (see full page ad)

The Museum will be looking for **SUMMER STUDENTS** so keep watch for our advertisements. Great opportunity.
