<p>Anne Marie Rochford brought her FCI Travel Class of approx. 19 students to the museum prior to Christmas. Firstly, thank you for bringing your class to tour the museum and a huge thank you to the students themselves for their interest and enthusiasm. We all enjoyed a great afternoon.</p>	<p>We especially want to acknowledge Mathew Wesner, one of the students who graciously entertained us with his musical talent on the piano, which was a recent donation to the museum from the Lemare family. Some of the students used the headset and handheld controls to take a 3D computer-generated simulation tour of the museum.</p>
